Policemen Club Strikers.

Chicago, April 11.—Scenes of violence marked the first attempt to move freight from the Montgomery Ward building, where the teamsters are on strike. The police were compelled to use their clubs freely. Three wagons headed by two patrol wagons and accompanied by 75 policemen started from the Rock Island freight sheds at Polk and Sherman streets. The caravan was followed by nearly 1,000 persons. Numerous missiles were thrown along the line of march. While the wagons were passing the approach to the Polk street viaduct the crowd began to throw stones. While the police charged the mob the procession of wagons was halted. A way was finally cleared with clubs.
